KIDS!**  
**PRIZES for  
SCHOOLS!**

**Think you can motivate kids to  
put down those sugary drinks  
and choose water instead?**

Here is your chance to win big for you and your school! Assemble a team of elementary students, grab a teacher or adult to help, and create a 25-second video public service announcement (PSA) that motivates Alaska kids to choose water instead of sugary drinks, like soda, sports drinks and powdered drinks.

The last day to submit your video is October 30, 2015.
